## About University

China Medical University (CMU) is located in Shenyang city, Liaoning. It was founded in the city of Ruijin in the Jiangxi province in 1931. China Medical University has an interesting historical background which gives this university a unique touch. Earlier, China as a country was divided in two parts such as North China and South China due to the large size of the country and had 2 capital cities to administer it properly. Beijing was the North and Nanjing was the South Capital of China for

a long time. In the modern time, the capital is now treated as Beijing alone. Shenyang is located very close to Beijing which makes it economically, culturally as well as politically a better place for international students providing them with a happening student life. It is an amazing city with interesting history and a pleasant climate quite suitable to international students.
