

# Manipal University College

Manipal University College Malaysia (MUCM) was established in 1997 as Melaka-Manipal Medical College (MMMC).

It was through the vision of Dr. Ramdas Pai, Chancellor of Manipal University, and the instrumental efforts of the late Datuk K Pathmanaban, former Malaysian Deputy Minister of Health. They recognised that the problem of a shortage of doctors Malaysia at the time could be effectively addressed if more Malaysian students were given the opportunity to achieve their aspirations of becoming doctors and healthcare professionals.

The national aspiration was for Malaysia to be a leading hub for education in the region and this was aligned to MMMC's charter of providing quality medical education at an affordable price.
