

About University

Tongji University is one of the leading universities in China under direct administration of Ministry of Education, listed on "Project 985" and "Project 211". With a history of over a century, Tongji has valued the balanced development of four functions, i.e. education, research, outreach, and culture inheritance and innovation.

Tongji University, formerly Tongji German Medical School, was established in 1907. It was given its present name and became a state university in 1927. It was one of the oldest and most prestigious institutions of higher education in China. The university has developed rapidly in all respects over the sixty-five years since the founding of China, especially since the country's opening-up policy. It is now a comprehensive university with ten major disciplines in sciences, engineering, medicine, humanities, law, economics, management, philosophy, arts and pedagogy with strength in architecture, civil engineering and oceanography.
