

About University

The State Budgetary Institution of Higher Professional Education «Voronezh State Medical University named after N.N. Burdenko» of the Ministry of Public Health of the Russian Federation is known as one of the country's leading research and teaching centers with a total of about 5,000 students. It is one of the oldest educational institutions of Russia. Its history goes back to 1802 – the date of Derpt University foundation, which moved to Voronezh in 1918. In 1930, its medical faculty became an independent medical institute, which achieved its academy status in 1994.

The University has proved its worth as an academic institution providing high-quality education and conducting advanced scientific research in Medicine, Biology, and Pharmacy. The quality of its performance is reflected in the rating scale, according to which the university is included in the top ten medical schools of Russia. Since its foundation, it has prepared more than 40 thousand medical specialists, including foreign ones from 56 countries of Europe, Asia and Africa.
